Nitin: On behalf of Jim Woolford and Don Rigger, the attached documents and the text below (responding to "Do we routinely develop a worst case scenario for these type of activities? If so, who develops them?") constitute OSRTI's contribution to the information you requested last night. Please let Jim or Don know if you have any questions/concerns.

1. Superfund background/NPL listing process (1-2 page fact sheet)
 - *This is Superfund* has background information on Superfund, how sites are placed on the NPL, etc.
 - NPL one-page fact sheet (attached)
 3. Abandoned Mine 1-pager/fact sheet (attached)
-
14. History of NPL activities related to this site both history and current activities
 - One page fact sheet (attached)
-
1. Do we routinely develop a worst case scenario for these types of activities? If so, who develops them?
